An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

[0047] Figure 24 22 is a schematic overview of an embodiment of the invention employing a firewall and an access point for the firewall.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant has provided clear and concise arguments distinguishing the claimed invention over the prior art in the response filed October 16, 2008. Examiner notes that the limitations of performing a check, sending the results of the check with a request for a bill of health (BoH), determining whether the results meet all the requirements for a second set of checks, and based on that determination either requiring the device to perform the second set of checks, or storing the BoH and a certificate proving that the device possesses the required configuration, clearly distinguishes the invention over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CORDELIA KANE whose telephone number is (571)272-7771. The examiner can normally be reached on Monday - Thursday 8:00 - 5:00 EST.
